Dear brothers and sisters in Christ,

On this luminous night we exclaim the prophetic words of King David: “Let God arise and His enemies be scattered!” May God resurrect and renew life and love in our hearts! May sin, lies, anger, strife and all kinds of division in our life and throughout the world disappear! Let the Resurrection of Christ be the beginning of our true new life and the immortality of every Christian!

On this festive day, when the bright joy of the Risen Saviour overflows our souls and hearts, I wish you all good health, long life, success in your work, zeal in prayers and many acts of Christian kindness!

May the joy of Pascha remain in all of our hearts throughout the year!

Christ is Risen!

Father Lucian
